Strengthening Human Rights Protection and Access to Justice in the Northwest and Southwest regions of Cameroon

Conscience Africaine Workshop on Monitoring, Documentation, and Reporting of Human Rights Violations and Abuses

The workshop held in Bafoussam from January 29-30, 2026, was a total success. Conscience Africaine extends its heartfelt gratitude to all participants, partners, and facilitators for making it a huge success.

The workshop brought together 30 human rights organizations and defenders to strengthen their capacities in monitoring, documentation, and reporting of human rights violations and abuses. Challenges were discussed, experiences shared, and ways to promote credible and objective reporting explored.

The organization expresses its sincere appreciation to its esteemed partners, including the Canadian High Commission to Cameroon and Mandela Center International, for their unwavering support. Gratitude is also extended to Her Excellency, the Canadian High Commissioner to Cameroon, the representative of His Excellency, the Governor of the West Region, the representative of the Mayor of Bafoussam 1 Council, and other dignitaries for their presence.

The workshop achieved its objectives:

- Equipped 30 human rights defenders with skills to monitor and document violations
- Promoted verification, cross checking of facts and ethics in reporting,
- Encouraged production of credible reports on human rights violations

Conscience Africaine remains committed to creating a society where rights are respected, and justice is accessible to all.

Thank you to all participants, partners, and facilitators.

Best regards

Amadu TARNEH
